

We Partner with Leading Businesses to Offer a Unique Service

Satellite Teams helps businesses and organizations of all sizes streamline their operations, enhance profitability, improve efficiency, and achieve up to 70 percent savings on overhead costs.

We provide top-tier, industry-trained, long-term, full-time, dedicated remote professionals to support all aspects of business operations at a fraction of typical U.S. rates, helping companies allocate more budget for growth initiatives. Trusted by leading businesses nationwide, we have a client retention rate of over 90%.

Our services offer ongoing support and are available month-to-month with no hidden fees and no long-term contracts.*

Here are some examples of the professional talent we provide:

Alex R.
Account Executive

Alex R. is a proactive Account Executive with a passion for cultivating strong client relationships and enhancing customer satisfaction. With expertise in managing client accounts, addressing concerns, and identifying growth opportunities, Alex excels at delivering customized solutions that meet client needs and goals. With his excellent communication and problem-solving skills, Alex is dedicated to fostering long-term partnerships that ensure client success and drive business growth.

Taylor M.
Social Media Manager

Taylor is a strategic and innovative Social Media Manager with a knack for creating engaging digital narratives and boosting audience interaction. Taylor excels in content creation, strategy development, and analytics, consistently building and managing brand presence across various platforms. Renowned for staying ahead of trends and utilizing data-driven insights, Taylor effectively enhances brand visibility and cultivates meaningful connections with target audiences.

Jamie L.
Bookkeeper

Jamie is a meticulous Bookkeeper with a robust understanding of financial principles and practices. Jamie excels in reconciling financial statements, preparing comprehensive reports, and ensuring adherence to regulatory standards. With sharp analytical skills and a commitment to financial integrity, Jamie is instrumental in sustaining the organization's financial well-being.

Jordan S.
Digital Marketing Manager

Jordan S. is a dynamic Digital Marketing Manager with expertise in SEO, content marketing, social media strategy, paid advertising, and web design. Jordan ensures that marketing initiatives not only drive traffic but also create user-friendly, visually appealing experiences. By blending data-driven insights with creative execution, Jordan crafts campaigns that enhance brand visibility, increase engagement, and deliver measurable results.

Morgan A.
Accountant

Morgan A. is a highly proficient Accountant specializing in financial analysis, reporting, and regulatory compliance. With advanced proficiency in accounting software and ERP systems, Morgan ensures precision in financial statements and optimizes tax strategies. Morgan possesses an in-depth understanding of GAAP, IFRS, and regulatory frameworks, driving efficient financial operations and supporting robust fiscal management throughout the organization.

*Monthly rate is full service and includes salary, training, onboarding, taxes, law-mandated benefits, performance & asset management support, productivity tracking, offboarding etc. Rates could change depending on talent's qualifications, location and asking salary.

Leading Businesses That Choose Satellite Teams

Hiring Expert Talent Has Never Been This Easy!

We work with you to pinpoint your company's success indicators. Choose from carefully selected candidates, pre-screened and pre-interviewed by our expert team.

Hire full-time, dedicated professionals who will seamlessly integrate into your existing team. You'll have complete oversight of their productivity, goals, and performance.

Through our ongoing support, we manage the complexities of HR administration, payroll, benefits management, and compliance with local taxation and labor laws, so you don't have to.
